TENDERING INFORMATION FOR GRAND CAYMAN

When arriving in Grand Cayman tomorrow, we will be utilizing small boats to transport you to the island shore. This is called a Tender Service, using Tender Boats. This service is provided by a local company in Grand Cayman. In order to make sure every Guest is transported safely, we suggest that you follow the Safety Guidelines below.

SAFETY INSTRUCTIONS:

1. Do not crowd in gangway areas.
2. Have your hands free to use the railings.
3. Wear comfortable, safe shoes since areas might be slippery.
4. Wait for a signal from the Crew Member in charge to board or disembark.
5. Follow instructions of the Crew Members.
6. Use any hand rails and do not jump or run while boarding.
7. Sit down while in the tender boat at all times. Do not stand up as the tender boat approaches the pier or the ship. Remain seated in your seat row until you can step directly to the boarding point without standing in line. Keep in mind that there may be sudden movements while the tender boat is along side the ship, due to the motion of the seas.
8. No smoking in the tender or in line.
9. Notify Crew Member if you have any problems or feel uncomfortable.

ALL GUESTS

You will need your 'Key to the World' card and Photo ID (guests 18 years and older) ready as you debark the ship. Please follow the tendering process below that pertains to you. Tenders will run continuously throughout the day from the Disney Magic to Grand Cayman Downtown Pier and back. **Last Tender back to the ship is at 4:00 p.m.**

FOR GUESTS WITHOUT PORT ADVENTURES

Tendering will begin at approximately 7:30 a.m. with a Tender Ticket process in the Buena Vista Theatre, Deck 5, Aft. We ask that once you are ready to go ashore, collect all members of your family or group and proceed to the Buena Vista Theatre to receive your tender tickets. The crew will escort you to the next available tender as soon as it is ready for embarking. Ticket distribution will run until approximately 11:00 a.m. or until open tenders are announced, allowing you to proceed directly to a gangway on Deck 1 without a ticket. Also, a kind reminder that no open food trays or snacks are allowed in the Buena Vista Theatre, on the Tender Boats, or ashore. Thank you.

FOR GUESTS GOING ON PORT ADVENTURES

- **If your Port Adventure meets before 10:30am:**
Please meet at your designated excursion meeting location onboard at the time listed on your Port Adventure Ticket. Your Port Adventure Ticket will be considered your Tender Ticket.
- **If your Port Adventure meets at 11:00 a.m. or later and you ARE NOT planning to go ashore prior to your excursion meeting time:**
Please meet on the Downtown Pier on the Waterfront. You should allow at least **45 minutes** for tender travel time before your excursion meeting time on the pier. An announcement will be made when tender tickets are no longer required - approximately 11:00am or when announced. Until then, please meet in the Buena Vista Theatre, Deck 5, Aft to collect a tender ticket.
- **If your Port Adventure meets at 11:00 a.m. or later and you'd like to spend the morning in Grand Cayman, then meet your excursion on the pier:**

Towels will be provided for all water-based excursions. **We kindly ask you to return them back to the ship after your tour.** All excursions will return to the Downtown Pier area, where tender service will run continuously back to the Disney Magic until 4:00 p.m.

We wish you a safe and enjoyable day.

INFORMACIÓN SOBRE EL PROCESO DE DESEMBARQUE EN LANCHAS EN GRAND CAYMAN

Al llegar a nuestro puerto de **Grand Cayman** utilizaremos lanchas para transportarle a tierra. Este proceso es denominado "Tendering" porque se utilizan lanchas llamados Tenders. El desembarque con las lanchas comenzará aproximadamente a las 7:30am con un proceso de distribución de billetes en el Teatro Buena Vista, ubicado en la cubierta 5. Cuando su familia o grupo esta listo para bajar a la isla, les pedimos que pasen por el teatro Buena Vista (cubierta5) para recibir sus billetes. Recuerdan que tienen que esperar en el teatro para el siguiente lancha.. La distribución de billetes se extenderá hasta aproximadamente a las 11:00 a.m. o cuando el anuncio de que no es más necesario recoger los billetes sea hecho, lo que le permite bajar directamente a la salida ubicada en el piso 1. An Overview of Grand Cayman

Of the three Cayman Islands, Grand Cayman, Cayman Brac and Little Cayman, Grand Cayman is the largest and most popular island and home of the capital city George Town. Visitors flock to the island to relax and enjoy the famous Seven Mile Beach, a long stretch of soft white sand fringed by clear turquoise water, rated one of the most beautiful beaches in the entire Caribbean. It was also the very beach where they filmed Tom Cruise in the movie, "The Firm." Grand Cayman and the Caymans in general are very well known for their diving and snorkeling.

Named after the Carib Indian word for marine crocodile, Caymanians are proud of their sea-going heritage, as evidenced by the legend of "The Wreck of the Ten Sails." The story tells of a ship wrecked off the eastern coast of Grand Cayman, whose crew, in trying to warn other ships away from the reef, instead drew 9 more vessels onto it. Through the heroics of the local people, not a single life was lost. In gratitude, King George III declared the Cayman Islands forever exempt from taxes, which turned in to a billion dollar gift. There is no income tax, property tax, capital gains tax, and corporation tax, making it a very advantageous place for wealthy individuals or companies to do business. Today, tourism and the international financial industry form the basis of Cayman's strong economy and prosperity.

An Overview of Costa Maya

Costa Maya is the first Western Caribbean port designed exclusively for the cruise ship industry and is strategically located just hours from Cancun on Mexico's southern Yucatan Peninsula. It is Comprised of 2 small villages, Mahahual and Xcalak. While Xcalak is approximately 37 miles south of the Costa Maya cruise port, the fishing village of Mahahual is only about 2 miles away. Mahahual has soft sand beaches, grass thatched palapas and a coral reef a short distance off-shore called Banco Chinchorro, as well as several bars, restaurants and shops.

Set against the deep turquoise sea, Costa Maya is comprised of three grand pavilions, artisan and costa maya shopping areas, a beach club, saltwater pools, fine restaurants and bars, and all the resources necessary to explore the surrounding jungle and coral reefs. It is the region's most complete and diverse port of call, providing cultural, natural and archeological excursions.

Port Adventures: Check your ticket for the correct meeting time and location for your tour. Your Port Adventures Team will direct you to transportation. Taxi service available outside the cruise terminal.

RESTRICTIONS ON U.S. CURRENCY TRANSACTIONS IN MEXICO

In September of 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.

An Overview of Cozumel

Cozumel is 33 miles long and 11 miles wide. It is the largest island in the Republic of Mexico. Twelve miles to the west is the mainland of Mexico, separated by a channel that is 3,000 feet deep. The Mayans have lived on Cozumel since 300 AD, and are most noted for their complex systems of mathematics, astrology and prolific city building. Cozumel was a trading center and was in contact with regions as far north as Veracruz and as far south as Honduras.

Shop for traditional handicrafts and duty free jewelry and dine in seaside restaurants seasoned with friendly local Cozumel residents. This, with lasting impressions and splashed with romantic cocktails, will leave you wanting more. This island is a refreshing getaway from the metropolitan cities. Cozumel is considered the "crown jewel" of the Mexican-Caribbean. Powdery white sands, crystal clear waters, protected environments and snorkeling or scuba diving among schools of fish is a playground away from industrial society. Cozumel is a true Mexican paradise, and receives more cruise ship guests annually than St. Thomas.

Cozumel is part of the Central Standard time zone (one hour earlier than Eastern). The language spoken there is Spanish, but almost everyone speaks some English. San Miguel is the only town on the island where cruise ships visit.

Docking/Anchorage: The ship can dock in one of three pier locations: Punta Langosta (downtown), International Pier or Puerta Maya Pier.

Port Adventures: Check your ticket for the correct meeting time and location for your tour. Your Port Adventures Team will direct you to transportation.

RESTRICTIONS ON U.S. CURRENCY TRANSACTIONS IN MEXICO

In September of 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.
