# General Information

## Frequently asked questions

### What is SeaPass and how do I activate it?

The Mariner of the Seas works on a cashless system. Think of your SeaPass card as your onboard charge card. To activate your SeaPass card, we suggest using a credit card as it allows for automatic checkout at the end of your cruise vacation while also avoiding standing in long lines. Should you wish to establish a cash account, we encourage you to make a cash deposit at the Guest Relations Desk, Deck 5, to avoid having your SeaPass card deactivated should it exceed the pre-set \$500 limit. Any remaining cash credits will be refunded to you on the last day of the cruise vacation.

### When will my stateroom be ready?

Your stateroom will be ready after 3:00 pm. In the meantime, a delicious lunch buffet is available for all guests in the Windjammer Café, Deck 11, from 11:30 am until 5:00 pm. Café Promenade is open 24 hours for light snacks.

### What time will my luggage arrive to my stateroom?

Due to the high volume of luggage handled during the boarding process, we will deliver luggage up to 9:00 pm. If your luggage has not arrived by this time, please contact the Guest Relations Desk on Deck 5.

### How can I get my dinner seating changed?

Your seating arrangements are printed on the front of your SeaPass Card. Our Maitre d' will be available for any table or seating request changes from noon - 3:30 pm, and from 6:00 pm - 7:15 pm, 8:30 pm - 9:45 pm in Rhapsody in Blue Dining Room, Deck 3.

### Adventure Ocean Children's Program

We encourage those guests with children ages 3-11 to register in our Adventure Ocean Program on Deck 12. Registration is also available after our family Welcome Aboard Show, see your Cruise Compass for details.

### What security measures does this ship have?

We take your safety very seriously. In order to prevent unauthorized persons from boarding the ship, please have your SeaPass card and photo ID ready to present to the officer at the gangway to swipe through our SeaPass system when you go ashore and return to the ship. On occasion, you may be asked to open your handbags or parcels. This extra security measure is a demonstration of our concern for all guests safety. Please do not agree to take packages onboard from people you do not know.

### Do I have access to a safe? How do I use it?

Each stateroom features a safe and instructions for use are posted next to the safe. Your Stateroom Attendant can also explain how to use the safe. If you should encounter any problems using your safe, please contact maintenance by dialing 1800.

### How do I book shore excursions?

Our friendly staff at the Explorations! Desk, Deck 5 will be available during the day to assist you in booking a shore excursion. Check the daily Cruise Compass for opening hours. If you would like to book a tour in advance, use RCTV in your stateroom simply by pressing the menu button on your TV remote control (available 24 hours) and the tickets will be delivered to your stateroom.

### What are the charges for using the stateroom telephone?

Charges do not apply when dialing stateroom to stateroom; you simply use the 4-digit stateroom number. However, if you want to make an outgoing phone call, a charge of \$7.95 per minute will be billed to your SeaPass account. Charges also apply to toll-free calls. Dialing instructions are located next to your phone and in your Cruise Services Directory.

### How can I get a wake-up call?

You can program wake-up calls on your phone by pressing the speed dial button and entering your preferred wake up time using 4 digits, followed by 1 for AM or 2 for PM. For example: 7:15 am = 07151 and 2:30 pm = 02302.

### I need two twin-size beds, but there's only one queen-size bed (or vice versa).

If you would like to have your beds separated (or combined), your Stateroom Attendant will be glad to do that for you when she/he turns down your room this evening. Please advise them of your wishes.

*On behalf of the Captain, Officers, Staff and Crew, we wish  
you a wonderful cruise vacation onboard the beautiful Mariner of the Seas.*

## GUEST CONDUCT POLICY

Throughout its history, Royal Caribbean has provided its guests with a wide variety of cruise experiences that lead to exceptional vacations. Whether it's our professional and friendly crew, our unmatched fleet of ships, our almost endless variety of activities, our extensive list of beautiful and exotic destinations and excursions, our exciting entertainment, or our wide variety of delicious food, you will find many reasons why your Royal Caribbean vacation will be one of the best you have ever experienced.

You may also find that one of the most amazing parts of your cruise experience will be the many rich and varied cultures represented among our guests. This offers a chance to learn about different parts of the world and to make new friends. But just as a new friend can enhance your vacation experience, some guests may behave in ways you find unusual or undesirable. Since our guests do come from different backgrounds, it is important that everyone have a common understanding of the behavioral standards in place on Royal Caribbean ships.

This Guest Conduct Policy is intended to help ensure that all guests are able to participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their Royal Caribbean vacation, including transfers to and from ships, inside terminals, while onboard, at ports of call, during shore excursions and at our private destinations. This policy is not intended to be all inclusive, and it is likely there will be conduct issues that it does not specifically address. In that event, as in all others, the Ship's Captain will take appropriate action to ensure the safety, security and well-being of our guests. In addition to this policy, there are also United States and foreign laws that apply to Royal Caribbean guests.

### Safety and Security

Safety and security are everyone's responsibility. Should anyone become aware of unsafe or possibly illegal behavior during their cruise, they should immediately report this to the ship's Security Staff or other ship management. This may be done through ship's telephone or by seeking the assistance of a crew member.

### Guest Conduct

#### Guest and Crew Interaction

Our crew members are friendly, outgoing and helpful, and they will do their very best to make your vacation as enjoyable as possible. Please do not misinterpret their friendliness. Crewmembers are prohibited from engaging in physical relationships with guests. Crewmembers are not permitted to socialize with guests beyond their professional duties and are not permitted to be in guest staterooms except for the performance of their shipboard duties. Guests are expected to respect these policies and are similarly prohibited from engaging in physical relationships with crewmembers. Guests are not permitted in any restricted or crew area of the ship including crew staterooms and corridors.

#### Verbally Abusive or Offensive Language

Verbally abusive or offensive language directed toward anyone, to include guests, crew members, governmental officials, or others is not permitted.

#### Inappropriate or Abusive Behavior

Inappropriate or abusive behavior including uninvited physical contact, solicitation, harassment, vandalism, theft, violence, use of fake/false ID, underage drinking (see alcohol section below), providing alcohol to those under age 21 (see alcohol section below), possession of illegal substances/items or any other illegal or offensive conduct is not permitted.

#### Unsafe Behavior

Sitting, standing, laying or climbing on, over or across any exterior or interior railings or other protective barriers, or tampering with ship's equipment, facilities or systems designed for guest safety is not permitted. Guests may not enter or access any area that is restricted and for the use of crew members. Any other unsafe behavior, including failure to follow security instructions, is not permitted.

#### Discourteous or Disruptive Behavior

Pool, deck and theater chairs may not be reserved. Topless sunbathing is not permitted except on selected itineraries, and then it will only be allowed in designated areas (contact the Guest Relations Desk for details). Boom boxes or loud radios are not permitted. Roller blades, roller skates, skateboards, scooters, surfboards, bicycles, and similar items may not be utilized onboard (except for mobility aids related to special needs, as approved by the ship's medical staff).

#### Smoking

For the comfort and enjoyment of our guests, our ships are designated as non-smoking, however, we recognize that some of our guests smoke. Therefore, to provide an onboard environment that also satisfies smokers, we have designated certain areas of the ship as "smoking areas." Generally, smoking is not permitted except in designated areas. (Contact Guest Services for additional details). Smoking is not permitted inside any guest stateroom; however guests with balconies may smoke on their balcony. If a guest is in violation of this policy, a cleaning fee of \$250 USD will be applied to their SeaPass account and may be subject to further action pursuant to the "Consequences Section" of this Guest Conduct Policy. Smoking is permitted in many of our lounges and on open air decks on the starboard side of the ship. Royal Caribbean International kindly asks all guests to please observe the non-smoking areas and to refrain from smoking pipes or cigars in any of the public areas. These requests are made to provide a comfortable shipboard environment for everyone. Where permitted, cigarettes, cigars and pipe tobacco must always be properly disposed of and never thrown overboard. A guest must be at least 18 years of age to purchase, possess or use tobacco products onboard.

#### Curfews

Ship's management reserves the right to enact curfews on an individual, group, or ship-wide basis, if in the sole judgment of the ship's Captain, such steps become necessary to ensure guest or crew safety.

#### Disembarking a Ship

Parents or guardians must not permit any guest in their care under age 18 from leaving a ship in any port without responsible adult supervision.

#### Parental and Guardian Responsibility

For purposes of this Guest Conduct Policy, a minor is defined as anyone under the age of 21. Parents and guardians are responsible for the behavior and appropriate supervision of their accompanying minor(s) throughout their vacation. This obligation applies during transfers to and from ships, inside terminals, while onboard, at our ports of call, during shore excursions and at our private destinations. This responsibility applies at all times, regardless of whether the parents and guardians are physically in the company of their minor(s).

### Alcohol

Royal Caribbean guests are expected to be responsible for their actions at all times, including during transfers to and from ships, inside terminals, while onboard, at our ports of call, during shore excursions and at our private destinations. Consuming alcohol to excess impairs one's judgment and reduces one's ability to recognize and avoid potentially dangerous situations. Guests who choose to consume alcohol must do so responsibly.

The minimum drinking age for all alcoholic beverages on Royal Caribbean International ships is 21. A guest's age is established upon embarkation (beginning of the cruise). If a guest celebrates their 21st birthday during the cruise, the guest may thereafter ask the Guest Services Manager to modify ship's records to permit their consumption of alcohol during the remainder of the cruise. The guest will be required to appear at the Guest Relations Desk with his or her parent or guardian and to present a government issued form of identification to establish that the guest's 21st birthday was celebrated during the cruise. The ship's staff may refuse to serve alcoholic beverages to any guest who does not consume alcohol responsibly and may request verification of a guest's age to determine whether they are of age to consume alcohol pursuant to this policy.

Guests are not permitted to bring alcoholic beverages onboard for consumption or any other purpose. Alcoholic beverages that are purchased from onboard shops or in ports of call (which must be presented to security upon re-boarding), will be secured by ship's personnel and delivered to the guest's stateroom just prior to the conclusion of the cruise. Security may inspect containers (water bottles, soda bottles, mouthwash, luggage, etc.) at any time, and those concealing or attempting to conceal alcohol will be subject to action pursuant to the "Consequences Section" of this Guest Conduct Policy. Guests under the age of 21 who possess alcohol in violation of this policy will not have alcohol returned to them and appropriate consequences will be considered, including but not limited to loss of privileges to use the disco or other areas or facilities of the ship.

No guest under age 21 may possess or consume alcohol during transfers to and from ships, inside terminals, while onboard or at our private destinations. Should a parent or guardian choose to permit their minor(s) to consume alcohol while ashore during a port of call or an excursion (where local laws permit), they remain accountable for ensuring the minor(s) consume responsibly and retain their ability to recognize and avoid potentially dangerous situations when they return to the ship.

On cruises embarking in a country where the legal drinking age is lower than 21, a parent who is sailing with his or her 18 to 20 year old minor son or daughter, may be permitted to sign a waiver allowing the minor to consume alcoholic beverages. The authorizing parent and the minor must agree to be responsible for ensuring the minor will consume alcohol responsibly and otherwise comply with the Guest Conduct Policy, including among other things, not providing alcoholic beverages to any other person, regardless of age. Guests who violate any alcohol policy, including but not limited to underage drinking; providing alcohol to minor(s); possessing, concealing or attempting to conceal alcoholic items in their luggage, when boarding, or while on board; or failing to consume alcohol responsibly, will be considered for discipline under the provisions of this policy.

### Prohibited Items

#### Items with Heating Elements or Open Flames

Certain items that generate heat or produce an open flame are not permitted on ship. This includes clothing irons, hotplates, candles, incense and any other item that may create a fire hazard. (Curling irons and hair dryers are allowed.)

#### Drugs or Other Illegal Substances

No illegal drugs or other illegal substances are allowed onboard or may be utilized during a Royal Caribbean cruise vacation, including during transfers to and from ships, inside terminals, while onboard, at our ports of call, during shore excursions or at our private destinations. Illegal drugs or substances will be confiscated and appropriate action taken, which may include removal from the ship and involvement of appropriate authorities. In addition, foreign governments at Royal Caribbean ports of call have strict laws that address drug possession. Guests found in violation of such laws are subject to arrest and prosecution by the foreign jurisdiction (and perhaps U.S. or other authorities as well) and may be prevented from re-boarding the ship.

#### Weapons, Explosives or Other Dangerous Items

No weapon, explosive, or other item that presents a risk of harm to persons or property, are permitted onboard. They will be confiscated and appropriate action taken. Items such as dive knives must be reported to ship's personnel at embarkation. They may be permitted onboard, but held in safe custody by the ship's Security staff when not in use ashore.

### Health and Environment

#### Hand Washing

Guests are strongly encouraged to wash their hands with soap and hot water after using the restroom and before eating or handling food. Medical experts say this is one of the best ways to prevent illnesses from starting or spreading.

#### Illnesses and Isolation of Guests

Royal Caribbean International follows practices and maintains policies that seek to prevent illnesses from affecting our guests. One of the best ways to prevent the spread of contagious illnesses like gastrointestinal viruses, colds and flu is to wash your hands thoroughly for at least 20 seconds with soap and hot water after using the restroom and again before eating anything. In the event you experience symptoms that indicate a gastrointestinal illness, such as diarrhea or vomiting, or know of someone experiencing these symptoms, you must advise the medical staff immediately. In addition, some gastrointestinal illnesses remain contagious up to 72 hours or more after symptoms subside; therefore, if you or someone you know experienced such an illness just prior to your cruise, you must immediately notify the ship's medical staff. This will permit the crew to take steps to reduce the chance that your illness will spread to others on the ship. Failure to immediately report a contagious illness to the ship's medical staff, or to accurately describe its onset, greatly increases the likelihood the illness will spread to others and is a violation of this Guest Conduct Policy. In the event of a contagious illness, the ship's crew will take steps to curtail its spread to other guests, including if necessary, steps set forth in the Consequences Section below.

#### Royal Caribbean International's Save the Waves Program and Trash/Waste Disposal

Royal Caribbean maintains a Save the Waves Program that focuses on three key principles: Reducing the creation or generation of waste materials; recycling as much as possible; and ensuring proper disposal of remaining waste. Trash should be properly disposed of in containers provided throughout the ship or in wastebaskets provided in each stateroom. Trash or other foreign objects should never be flushed down a toilet and guests are not permitted to discard any item overboard.

### Dining Areas Dress Code

#### Dining Rooms and Specialty Restaurants

No bare feet, caps, tank tops or bathing suits are permitted in these areas. Shorts are not allowed during dinner.

#### Windjammer Café

No bare feet are allowed. Tank tops and caps are not allowed during dinner.

# *Mariner of the Seas®*

December 11<sup>th</sup>, 2011

Dear Mariner of the Seas Guests:

Please be advised that on the cruise that ended this morning we saw a small increase in the number of guests with gastrointestinal illness.

I am therefore writing to provide you with information regarding how best to deal with colds, flu, or gastrointestinal illness.

Noroviruses are a group of viruses that cause people to experience a short-lived "Stomach flu" or gastroenteritis. Symptoms of Noroviruses include vomiting, diarrhea, abdominal cramps, headaches, and a low-grade fever. According to Public Health Officials, Noroviruses affect millions of individuals each year. In fact, the only illness that is more prevalent is the common cold.

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses, such as a Norovirus, which can be transferred easily through person-to-person contact, is to simply wash your hands thoroughly, with soap and warm water for at least 20 seconds, after restroom breaks and again before eating anything.

Like you, we take all health matters very seriously. Your health and safety, and that of our crew members, are our highest priorities. To assist in maintaining our high health standards, we have implemented enhanced cleaning procedures, as recommended by the Public Health Authorities. You will likely see some of these activities as our sailing proceeds.

Should you experience symptoms such as nausea, vomiting or diarrhea - commonly associated with a gastrointestinal illness - we strongly encourage you to contact the ship's medical facility for a complimentary consultation and treatment if necessary. As always, our medical staff is available to assist you with any questions. A simple conversation with one of our doctors or nurses may resolve any concerns.

We sincerely appreciate your cooperation and assistance. Please let us know if there is anything we may do to make your cruise more enjoyable.

Sincerely,

Captain Per Kristoffersen  
Mariner of the Seas

## DAY 1 Sunday, December 11, 2011

### WELCOME TO THE NATION OF WHY NOT. YOUR ADVENTURE BEGINS NOW.

As a new citizen of our floating nation, you have just embarked on a journey like no other, where all conventions of cruising—as you know it—have been cast away. As you get acquainted with the ship, you'll find that our nation is filled with unexpected surprises. In fact, you may not want to waste a single second more. There are mountains to climb and valleys to golf, all onboard this very ship. But if you'd like to take a breather before you begin your adventure, then read on for helpful tips...preferably with a piña colada and the ocean view.

#### 1. Adventure Ocean and Teen Open House

Here's where the kids have fun. Come explore our youth facilities and get a youth program overview of all the fun, games and adventures we offer during this cruise vacation. 1:00 pm - 3:30 pm, Adventure Ocean, Deck 12.

#### 2. Planning Event - All Guests Invited!

Not sure where to dine tonight? What show to see? What new activities to try? What spa package to book? Come to our special Planning Event and leave it to us. We'll help answer all of your questions, so you can make the most of your time onboard. Stop by 1:30 pm - 3:00 pm, Shipwide.

#### 3. The Sail Away Party

The party is starting as we depart for Cozumel, Mexico and you're invited! Come join us for live music, some dancing and a whole lot of fun as we depart Galveston. 4:30 pm, Poolside, Deck 11.

#### Get Into The Swing Of Things

- Read on...cover to cover. You'll find everything you need to plan out the day in your Cruise Compass and all about our specials in your Cruise Specials and more.
- Unpack later. The best way to get familiar with the ship is to start exploring. There's lots to see!
- Watch TV. Or maybe just RCTV. That's where you can check on the weather, learn how to play blackjack, and even book your shore excursions.
- Find other people that share your interests. Stop by Cafe Promenade on Deck 5 and post your card on the Community Bulletin Board.

### GET ENTERTAINED

Look inside for today's show schedule.

### ENVIRONMENTAL TIDBIT

The Save The Waves\* program is designed to reduce waste, save energy and leave as little a footprint behind as possible. What can you do to help? Simple things like recycling onboard and re-using your towels can make all the difference.

**WHY NOT** go in a stranger, and come out a local? On Royal Caribbean International, it doesn't take very long to feel right at home.

## DAY 3 Tuesday, December 13, 2011

### FEEL THE WARMTH OF COZUMEL.

Cozumel has always been many things to many different people. For the Maya, it was a spiritual sanctuary, a sacred shrine. The Spanish Conquistadors believed it to be a gold mine, literally. And for the 17th century pirates, Cozumel was a base of operations. Even today, the island has many faces—a diver's dream, a shopper's paradise, an archeologist's playground, and a vacationer's haven.

With so many options, where do you begin? The ancient Mayan city of Tulum is not very far from the port and certainly worth the trip. The azure waters are ever so tempting, whether you go on a deep-sea fishing adventure, a snorkeling excursion, or just admire the view from the white sand beaches. And of course, Cozumel's many duty-free shops, delicious restaurants and lively bars are always a great way to get the full Mexican experience.

### SHOP, DINE & ENJOY YOURSELF

- Bring an extra shopping bag. Cozumel is a shopper's paradise. For the best buys, try the shops along the waterfront, the crafts market and Punta Langosta Pier.
- Have a margarita. On the rocks. With or without salt on the rim. Accompanied by a mariachi band. Any way you have it, it'll be the best you've ever had!
- Try an authentic burrito. Here in the Yucatan, many of the dishes use the same local ingredients once used by the Maya. Absolutely delicious!

### Back Onboard

#### 1. Country and Western Night

Bring out your cowboy boots and denim vests; it's Country Western Night in the Lotus Lounge, Deck 5. Get ready for a rockabilly time. 9:45 pm.

#### 2. Ice Skating

Show off your best figure eight or pirouette on one of the only ice skating rinks at sea. Full long pants and socks are required. Children under age of 18 must have a parent or legal guardian present to sign a waiver for them. Maximum 45 guests per session. Safety equipment available upon request. Check the back page for times.

### GET ENTERTAINED

Look inside for today's show schedule.

### FAMOUS FIRSTS

Not only the first, but also the one and only of its kind. No wonder the ice skating rink at sea quickly became a crowd pleaser on all Voyager, Freedom, and Oasis class ships.

**WHY NOT** finish last? It's your vacation. Take all the time in the world to slow down, relax and pamper yourself.

## DAY 4 Wednesday, December 14, 2011

### DISCOVER THE MANY RICHES OF GEORGE TOWN

Whether you're diving the world-famous Cayman reefs or perusing the duty-free shops, you're sure to find an array of riches in the Cayman Islands. Today, we'll be arriving in Grand Cayman, the largest of the three islands that together form a self-governed colony under Great Britain. Columbus once called the island trio "Las Tortugas," after the turtles he found living off shore. And after that, the islands were known as the Caimanau, which is the Carib Indian word for "crocodile" used to describe the native iguanas. The turtles, iguanas and even the stingrays are still the most popular residents. Visit the Turtle Farm and interact with these magnificent creatures. Or take an unforgettable snorkeling trip to Stingray City. If you dive, head to the wall; you'll be in awe when the coral reef suddenly drops down into the depths of the ocean. Prefer to stay on land? Relax on the white sands of the Seven-Mile Beach, or stroll through town and see the Conch Shell House, made entirely of mollusk.

Tendering Procedures for Grand Cayman

1. Guests Not on Tour or who Booked Independent Tours: If you are not on a tour (or booked your own tour) and want to depart the ship between 10:00 am - 1:00 pm you must obtain a complimentary tender ticket from the Lotus Lounge on Deck 5 starting at 9:00 am. After collecting your ticket please wait comfortably in any public lounge until your ticket number is called over the PA system. (For safety reasons sitting on the stairwells will not be permitted). Please be advised the peak time periods will be between 10:00 am - 1:00 pm. **Note: We kindly ask for your patience. The wait to board a tender may be as long as 1 - 3 hours depending on sea conditions. Guests returning to the ship do not require tender tickets.**
2. All Royal Caribbean Tours Meeting in The Savoy Theatre: Please arrive at least 15 minutes before the time printed on your tour ticket. **Tender tickets are not required for guests on tour.** Just show your tour ticket at the gangway.

## DAY 5 Thursday, December 15, 2011

### WELCOME TO COLONIAL FALMOUTH, THE CARIBBEAN'S GEORGIAN-STYLE GEM.

Once a major port in the 18th and 19th centuries, this Jamaican town grew incredibly wealthy off of sugar production. Ships laden with sugar and rum would leave for Britain daily, just as others would arrive with slaves. It was an age of prosperity and sophistication, marked by the splendid Georgian-style "Great Houses" still perfectly intact today. On the other hand, it was an economy entirely dependent on the slave trade—an age of inhumanity overshadowed by great fortune. All that came to an end with the Emancipation in 1840, and today, it's as if time stands still in colonial Falmouth.

Many of the same quaint wooden houses still line the streets, with village carpenters handcrafting custom furniture in age-old tradition. A few of the old Georgian brick mansions and sugar plantations are now open to visitors, full of antiques and memorabilia to feed the imagination. And Falmouth's tropical setting is just as romantic. A 30-foot bamboo raft takes you down the Martha Brae River as you listen to the legends of an era gone by.

#### Back Onboard

##### 1. Sail Away Party Reggae Style

If you picked up a few moves in Falmouth, here's your chance to show them off. Join in the festivities by the pool as we sail away. Featuring our Calypso Band, Vybes 4. 5:00 pm - 6:00 pm. Poolside, Deck 11.

##### 2. The Quest Game Show

Join the madness—or rather, the addiction—of this zany adult scavenger hunt. You'll be hooked within the first few minutes. 10:30 pm, Studio B, Deck 3. (PG13)

##### 3. Club Twenty (Adults Only)

Mariner of the Seas is proud to host an adults-only, Miami-style outdoor nightclub, featuring our very own DJ Jorge. Don't miss the action from 11:00 pm 'til late in the Solarium, Deck 11.

### GET ENTERTAINED

**WHY NOT** go back in time for a chocolate milkshake? Johnny Rockets® is a classic 1950's-style burger joint a true all American favorite.

But if having no agenda is more your style, then feel free to wander about. One thing's for sure, excitement awaits in just about every nook and cranny of the ship. However you decide to spend your day, our staff is here to help make it truly memorable.
