#### LUGGAGE

Your luggage will be promptly delivered to your stateroom on the evening of embarkation. If you don't receive it by 7:00pm, simply contact the Guest Services Desk, on Deck 6 or by dialing "00" and they'll be happy to help.

#### ATM/CASH MACHINE

For your convenience, our ATM machines are located in the Getaway Casino on Deck 7, Mid.

#### SHIPBOARD TERMS

Forward - front of the ship.

Aft - back of the ship.

Starboard - the ship's right side when facing forward.

Port - the ship's left side when facing forward.

#### NORWEGIAN GETAWAY KEY CARD

We are a cashless ship therefore, your guest keycard is your charge card onboard, your stateroom key, and what you will need to use when going ashore or coming back onboard. To activate your keycard for charging, we suggest using a credit card as it allows automatic checkout at the end of your cruise vacation and also avoids standing in long lines. If you wish to establish a cash account, we encourage you to make a cash deposit at our Guest Services Desk on Deck 6 Mid to avoid having your keycard deactivated. Any remaining cash credits can be refunded on the morning of disembarkation or mailed to you by a check from Norwegian Cruise Line.

#### RESTAURANT CANCELLATIONS

Cancellations must be made 24hrs prior to the scheduled dining time. If cancellation occurs with less than 24hrs notice, the full price of the cover per guest will be charged to the guest's folio. In the case of pre-paid reservations, no refunds will be issued for cancellations with less than 24hrs notice.

#### ECK 5 DECK 7

#### ONBOARD INTERACTIVE TV (iTV)

We want you to enjoy your vacation to the maximum therefore any free time counts, and that's when technology comes in handy. On your stateroom's interactive TV you may book shows, restaurants, excursions, watch the latest movies (pay-per-view), check your account balance, charges and onboard credits and a lot more.

Why waste time in lines when you have it all on the palm of your hands and in the comfort of your room?

#### CONSUMING ALCOHOL

On Norwegian Cruise Line, the minimum age for the consumption of all alcohol is 21 years of age and parental consent will apply to guests between 18-20 years of age for beer and wine only.

'Guests are advised if they bring alcohol on board it will be kept in a secure area until the conclusion of the cruise. Norwegian Cruise Line encourages the responsible use of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates Norwegian's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of Norwegian's alcohol policy may result in immediate disembarkation.

Due to public health regulations, food of any kind (hot, raw or unpacked/packed) or any open beverage containers will not be allowed to be brought onboard or taken off the ship at any time in any port.

#### CASINO

We welcome all guests aged 18 and over to gamble in our Casino (please have I.D. available). Winnings and bets made in violation of this policy will not be honored. Smoking of cigarettes is permitted in the Casino designated area. Pipes and cigars may only be smoked in our Humidor or Cigar Bar on Deck 7, Midship. Slot winnings of \$1200 or more may be subject to W2-G tax withholding.

#### SHARP CONTAINER

If you've got any type of needles to throw away, please ask for a special container from your Stateroom Steward, the Guest Services Desk or the Medical Center.

#### **POOLS & HOT TUBS**

Glass & bottles cannot be brought into any of the pools or hot tubs, no children in diapers or pullups, including swimmers & no unaccompanied children under 12 in hot tubs. Please exercise caution while moving around pool areas as the deck can be slippery.

As a courtesy to your fellow guests, reserving lounge/sun chairs is prohibited. If any chair is left unattended longer than 30 mins., the items will be removed and handed in at the Guest Services Desk.

DECKIS

#### SMOKING

For the comfort and enjoyment of all guests, we are pleased to announce that public areas and staterooms on all Norwegian Cruise Line ships are smoke free. If you prefer cigars, you can smoke in the Humidor Cigar Lounge. Also, you can smoke cigarettes and pipes in designated areas on open decks (just not around food venues, sport decks, kids' pool areas and other designated non-smoking areas). Cigar and pipe smoking inside your stateroom or on your balcony is prohibited. A \$250 cleaning fee will be added to your onboard account if smoking has occurred inside the stateroom.

#### SERVICE CHARGE

A \$12 USD service charge will be automatically added per guest per day (for guests three years and older) to your shipboard account for all staterooms. This charge will be shared among those staff members, including the restaurant staff, stateroom stewards and other behind-the-scenes staff who provide services to enhance your overall cruise experience.

However, certain staff positions (e.g., beverage service, concierge, butler and youth counselors) do not benefit from this shared service charge because they provide service to only some guests, not all. If you receive excellent service from any of these staff members, we encourage you to acknowledge them with appropriate gratuities.

#### STATEROOM LIGHTS AND ELECTRICITY

We've come up with a simple way to help the environment by saving energy.

To turn on the lights and power, just insert your keycard into the metal slot right next to the door.

When you leave your room, remove your keycard and the lights and power will automatically turn off.

Power will fail when sockets are overloaded.

## MAKE UP ROOM / DO NOT DISTURB BUTTONS ARE NEAR THE ENTRANCE BY THE DOOR.

#### Additional Information:

Electrical outlets 110V / 220V are located under the vanity in your stateroom.

Lifejackets are located under the bed. Infant lifejackets will be provided by your stateroom steward.

Toilet Flushing – push firmly on the middle part of the button.

Air Conditioning will shut off automatically when your balcony door is kept open.

#### **OPEN FLAMES**

Burning candles, incense etc. are not allowed

#### CURFEW

At 1:00am guests under the age of 17 years old must be out of public venues and in their staterooms unless they are actively participating in a scheduled activity or with a parent.

#### **ENVIRONMENTAL HOTLINE**

The environmental hotline shall be used only to report actual or potential environmental incidents, spills, and concerns. Please call 1-877-501-5976, the ship's Guest Services Desk at 00, or e-mail to Environmentalhotline@ncl.com. All reports are confidential. Also please be advised that it is strictly prohibited to disembark the vessel with any food products.

Thank you for choosing to sail with us. With our expert staff and crew totally committed to taking care of all the details, it won't be long before you'll see exactly why Freestyle Cruising is such an easy, carefree cruise experience. I want to proudly mention that you are cruising on a ship that features top-notch crew members who are excited to be your 'Vacation Hero'. Every crew member on board is personally committed to offering exceptional service, enthusiastically providing you the vacation of your dreams. It's our promise to you.

Norwegian Getaway is an amazing ship - I'm sure you'll love her as much as I do. At any given moment, day or night, you'll find plenty to do here. Also, with so many different places to eat onboard, you can experience all kinds of dining options - perhaps a different one every day!

And a great way to begin exploring is by using our Freestyle Daily newsletter as your guide. It's filled with information on the day's activities and special events. And it's a terrific way to get a feel for the ship.

Here are a few things I know you won't want to miss - some of my personal favorites:

Show: Burn the Floor

Restaurant: Moderno Brazilian Churasscaria

Thank you, again, for sailing with Norwegian Cruise Line. We sincerely hope you enjoy your trip.

Bon Voyage!

# FREESTYLE DINING

With so many great choices, you can enjoy a different menu every day.

## **COMPLIMENTARY DINING**

Our complimentary dining choices start with our three main dining rooms, where you'll find a mouth-watering array of 3-course meals and daily specials. If more casual dining is to your liking, we have indoor and outdoor buffets with made-to-order favorites, casual cafés, grills and on-the-go choices - all included in your cruise fare. We also have 24-hour options for those night owls!

New specials are added daily and include the Chef's Choice, inspired by region.

You may make reservations for all main dining rooms on a first come, first served basis. Or, you may prefer dining at the same time and at the same restaurant every night (whether you're with friends, family or by yourself). You can enjoy the comfort of sitting at the same table each and every night. Plus, you'll have the services of the same waiter every time. This dining option is available between 5:00pm and 5:30pm in our complimentary main dining rooms: The Tropicana Room, Taste and Savor. Make your reservation today with any Main Dining Room Host, at our Restaurant Reservations Desk or by calling 050.
