## Your Experience

Enhance your AquaSpa retreat by visiting the Persian Garden or Thalassotherapy Pool.

### Persian Garden

To make the most of your spa experience, we recommend that you visit the Persian Garden before or after your treatment. Surrounded by beauty, you will instantly drift away as different grottos and chambers release a variety of dry heat, steam and mists into the air with aromatherapy-filled vapors. Relax on a heated ceramic lounger while your body is purified and the pressures of life are rinsed away. Daily and weekly passes available.

### Thalassotherapy Pool\*

The bubbling therapeutic water is rich with trace elements and vitamins, helping to remineralize the body. Gently heated to body temperature, the nourishment of this bubbling spring helps to alleviate arthritic pain, soothe sore muscles and offer relief for sports injuries.
