Frequently Asked Questions

Why do I have to activate my SeaPass and how do I do that?

The Voyager of the Seas works on a cashless sales system. Think of your SeaPass card as your onboard charge card. You can activate your SeaPass account linked to your credit card or on a cash basis. Parents are responsible for any purchases made by their children during your cruise vacation. If you require any cards to be deactivated, please see our staff at Guest Relations Desk, Deck 5. Cards should be kept away from cell phones, money clips & other magnetic devices that could demagnetize the card. Please be advised that all credit and debit cards are approved on a daily basis.

When will my stateroom be ready?

Your stateroom will be ready at 1:00 pm. In the meantime, a delicious lunch buffet is served in the Windjammer Café, Deck 11, from 11:30 am - 3:30 pm. Café Promenade also serves light snacks. The Sky Bar, Deck 12, the Pig & Whistle Pub, Deck 5 and the Aquarium Bar, Deck 4 are open from noon. Please note: Our Beverage Services are restricted by Local Customs Regulations while in port/local waters. This restriction ceases once we reach international waters.

What time will my luggage arrive to my stateroom?

Due to the high volume of luggage handled during the boarding process, we will deliver luggage up until 9:00 pm. If your luggage has not arrived by this time, please contact Guest Relations Desk, Deck 5.

How can I get my dinner seating changed?

Your seating arrangements are printed on the front of your SeaPass card. Our Restaurant Operations Manager will be available for table or seating request changes from 11:30 am - 3:45 pm, La Bohème Dining Room, Deck 4.

Adventure Ocean Children's Program

For all those families with children ages 3-11, Adventure Ocean is open from 1:00 pm - 3:30 pm for viewing and questions.

What security measures does this ship have?

To prevent unauthorized persons from boarding the ship, please have your SeaPass card ready to present to the Officer at the gangway to swipe through our SeaPass system when you go ashore and return to the ship. On occasion, you may be asked to open your handbags or parcels. This extra security measure is a demonstration of our concern for all guests' safety. Please do not agree to take packages onboard for people you do not know.

Do I have access to a safe? How do I use it?

Each stateroom features a safe and instructions for use are posted next to the safe. Your Stateroom Attendant can also explain how to use the safe. If you should encounter any problems using your safe, please contact Maintenance by dialing 1800.

How do I book shore excursions?

Our friendly staff at the Explorations! Desk, Deck 5 will be available from noon today to assist you in booking tours. The fastest way to book your tour is comfort of your stateroom using RCTV. Just press the menu button on your remote control to get started. You'll get instant confirmation. Alternatively you could fill out the Express Explorations! Order Form and drop it in the Drop Box at the Explorations! Desk. Your tickets will be delivered to your stateroom.

What are my options should I need to make a telephone call?

Dialing instructions for your stateroom telephone are in your Cruise Services Directory. No charge for calling stateroom to stateroom. Simply dial the 4-digit stateroom number. External calls/collect calls and calling cards are charged at \$7.95 per minute billed to your SeaPass account. You may also be able to make/receive calls/text messages using your own mobile phone. International roaming charges will be charged by your home carrier.

How can I get a wake-up call?

You can program wake-up calls on your phone by pressing the speed dial button and entering your preferred wake up time using 4 digits and a 24-hour clock. For example: 7:15 am = 0715 and 2:30 pm = 1430.

From our Medical Facility!

Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after bathroom breaks and again before eating anything. The Medical Facility is open daily from 8:00 am - 11:00 am & 4:00 pm - 7:00 pm.

I need two twin-size beds, but there is only one queen-size bed (or vice versa).

If you would like to have your beds separated (or combined), your Stateroom Attendant will be glad to do that for you when she/he turns down your room this evening. Please advise them of your wishes.

DAY 3 Tuesday, December 21, 2010

FEEL THE WARMTH OF COZUMEL.

Cozumel has always been many things to many different people. For the Maya, it was a spiritual sanctuary, a sacred shrine. The Spanish Conquistadors believed it to be a gold mine, literally. And for the 17th century pirates, Cozumel was a base of operations. Even today, the island has many faces—a diver's dream, a shopper's paradise, an archeologist's playground, and a vacationer's haven.

With so many options, where do you begin? The ancient Mayan city of Tulum is not very far from the port and certainly worth the trip. The azure waters are ever so tempting, whether you go on a deep-sea fishing adventure, a snorkeling excursion, or just admire the view from the white sand beaches. And of course, Cozumel's many duty-free shops, delicious restaurants and lively bars are always a great way to get the full Mexican experience.

SHOP, DINE & ENJOY YOURSELF

- Practice rolling your R's. The Mexican people are known for their hospitality. Especially when you try to speak the language.
- Bring an extra shopping bag. Cozumel is a shopper's paradise. For the best buys, try the shops along the waterfront, the crafts market and Punta Langosta Pier.
- Have a margarita. On the rocks. With or without salt on the rim. Accompanied by a mariachi band. Anyway you have it, it'll be the best you've ever had!
- Try an authentic burrito. Here in the Yucatan, many of the dishes use the same local ingredients once used by the Maya. Absolutely delicious!

Back Onboard

1. 70's Disco Inferno

Picture this; 3,000 people dancing in the street to the hottest sounds of the 1970s. Get your hips shakin' for a fun trip down memory lane. Your Royal Caribbean Singers Racheal and Ryan, Cruise Director Casey and your groovy Cruise Director's Staff, kick things off at 10:30 pm, Royal Promenade. It's hot, hot, hot!

2. Ballroom At High Notes

Relax with a Martini and some good company as our live Ballroom Trio perform their jam session, 10:30 pm - midnight, High Notes, Deck 14.

GET ENTERTAINED

Look inside for today's show schedule.

FAMOUS FIRSTS

Not only the first, but also the one and only of its kind. No wonder the ice skating rink at sea quickly became a crowd pleaser on all Voyager, Freedom, and Oasis class ships.

WHY NOT finish last? It's your vacation. Take all the time in the world to slow down, relax and pamper yourself.

DAY 4 Wednesday, December 22, 2010

DISCOVER THE MANY RICHES OF GEORGE TOWN

Whether you're diving the world-famous Cayman reefs or perusing the duty-free shops, you're sure to find an array of riches in the Cayman Islands. Today, we'll be arriving in Grand Cayman, the largest of the three islands that together form a self-governed colony under Great Britain. Columbus once called the island trio "Las Tortugas," after the turtles he found living off shore. And after that, the islands were known as the Caimanau, which is the Carib Indian word for "crocodile" used to describe the native iguanas. The turtles, iguanas and even the stingrays are still the most popular residents. Visit the Turtle Farm and interact with these magnificent creatures. Or take an unforgettable snorkeling trip to Stingray City. If you dive, head to the wall; you'll be in awe when the coral reef suddenly drops down into the depths of the ocean. Prefer to stay on land? Relax on the white sands of the Seven-Mile Beach, or stroll through town and see the Conch Shell House, made entirely of mollusk.

Tendering Procedures for Grand Cayman

- 1. Guests not on Tour:** If you are not on a tour and want to depart the ship between 10:00 am - 1:00 pm you must obtain a complimentary tender ticket from the Cleopatra's Needle on Deck 5 starting at 9:30 am. After collecting your ticket please wait comfortably in any public lounge until your ticket number is called over the PA system. You may then proceed to the tendering loading area on Deck 1. (For safety reasons sitting on the stairwells will not be permitted). Please be advised the peak time periods will be between 10:00 am - 1:00 pm. We kindly ask for your patience. The wait to board a tender may be as long as 1 - 3 hours depending on sea conditions. Guests returning to the ship do not require tender tickets.
- 2. If your tour Meets in La Scala Theatre:** Please arrive at the meeting time printed on your tour ticket. Tender tickets are not required for guests on tour. Just show your tour ticket at the gangway.
- 3. If your tour Meets on the Pier:** Please allow 45 minutes to tender ashore prior to your tour meeting time. Tender tickets are not required for guests on tour. Just show your tour ticket at the gangway.

Back Onboard

- 1. Big Band Swing with The Voyager of the Seas Orchestra**
"I could have danced all night..." Enjoy an evening of standards perfect for dancing. Starring The Voyager of the Seas Orchestra. 7:00 pm & 8:30 pm, Cleopatra's Needle, Deck 5.
- 2. The Love & Marriage Game Show**
Couples say the darndest things, and we've got the game show to prove it. Who knows? You may be the couple we're looking for as our next contestants. Check out all the hilarity with your Cruise Director, Casey. 10:15 pm, La Scala Theatre, Decks 3 & 4. (Recommended for adults).

GET ENTERTAINED

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year, in fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Important Notice to our Young Cruisers - Those guests 17 years of age and under who are not accompanied by an adult must be clear of all public areas by 1:00 am each evening unless involved in an Adventure Ocean activity / Teen activity. For further guidance please refer to the Guest Conduct Policy which can be found in the Cruise Services Directory in your stateroom.

DAY 5 Thursday, December 23, 2010

LIFE IS ALWAYS SWEET IN MONTEGO BAY.

Locals call Jamaica's premier vacation spot "Mo' Bay". But its real name comes from another nickname. Long ago, when the Spaniards first settled Montego Bay, they used it to export huge quantities of lard. Before long, the bay was dubbed "Bahia de Manteca", or Bay of Lard. The name stuck... modified just a tad. After the Spaniards were expelled, sugar plantations started popping up all over. Though nowadays, this lush chunk of mountainous land cultivates tourism more than anything else. After all, there's nothing sweeter than watching the sunset in Montego Bay, sipping on a Red Stripe and listening to the Reggae beat.

Jamaica has some of the most beautiful beaches in the world. And Montego Bay has its fair share of beauties. At Rose Hall Beach Club, you can lounge by the bar, check out the water sports, and relax on its stunning stretch of sand. Play a round of golf at the beautiful Wyndham Rose Hall Golf & Beach Resort. Or stroll down lively Gloucester Avenue—the "Hip Strip"—for some great buys and authentic Jamaican food.

STEP INTO THE RHYTHM

- Take it easy. You're in Jamaica mon. Time to seriously slow down.
- Listen to the reggae. Bob Marley fan? Who isn't! Learn about his legacy, and maybe even find a rare album to add to your collection.
- Have a cup of Java. And while you're at it, buy some extra Jamaican Blue Mountain Coffee to take home. It's good stuff!
- Try the jerk. You've never had barbecue like this! The spicy seasoning of jerk chicken, pork or fish is a Jamaican specialty that'll leave your mouth watering for more.

Back Onboard

- 1. Majority Rules Game Show**
The Game Show with no right or wrong answer. Come along and join a team, hosted by your cruise directors staff. 7:30 pm Cleopatra's Needle, Deck 5
- 2. The Quest (Adults Only)**
Join the madness—or rather, the addiction—of this zany adult activity. You'll be hooked within the first few minutes. Doors open at 9:45 pm, the laughs begin at 10:15 pm, Studio B, Deck 3.
- 3. Club Twenty**
The Solarium has a double identity. Come nightfall, it turns into a discotheque. DJ Amir appears and spins his magic. The dancers step on the floor and the temperature soars. The guests? Well, the guests just don't want to leave. SeaPass Card and Photo Identification required. 11:15 pm – 2:00 am, Solarium, Deck 11.

GET ENTERTAINED

Look inside for today's show schedule.

ENVIRONMENTAL TIDBIT

Ah, the Caribbean Sea. So blue. So clear. And Virginie Stirbois, the Environmental Officer onboard, does everything possible to keep it that way. She oversees the Save The Waves® program and keeps the ship green. What a great job.

WHY NOT go back in time for a chocolate milkshake?

Johnny Rockets® is a classic 1950's-style burger joint a true all American favorite.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Independent Vendor Rental Advisory - Guests are cautioned against renting wave runners or mopeds in ports-of-call from vendors not associated with Royal Caribbean International. Unfamiliar environments, questionable personal protection devices, and unknown maintenance of equipment may result in a serious accident. For your safety, we offer trained and experienced instructors through organized shore excursions.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything.

Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Guest Curfew - All guests 17 years and younger, who are not accompanied by a parent or a guardian, must be clear of all public areas by 1:00 am, unless they are participating in organized shipboard activities (i.e. Adventure Ocean).

As You Depart

Six easy steps to check out

STEP 1 The Night Before

Today you will receive numbered luggage tags in your stateroom. Attach one to each piece of luggage. For your convenience an extra tag will be issued to you, for you to keep during departure as a reminder of the number assigned. Place your bags outside your stateroom by 11:00 pm the night before departure. Extra tags will be available from your Stateroom Attendant. It is recommended not to pack fragile items, medication, liquor and valuables in your luggage, but keep them in your hand luggage. Include your passport or proof of citizenship and airline tickets in your hand luggage. Do not leave your hand luggage outside your stateroom. Once you have left the ship you will need to collect your luggage at the designated luggage tag area before leaving the terminal.

STEP 2 SeaPass Account

If you have chosen to settle your SeaPass account with a credit card, there is no need to check out at Guest Services, Deck 5. All charges will automatically be billed to your credit card. If you have decided to settle your SeaPass account in cash, please visit Guest Services at any time no later than 11:00 pm on Saturday. For your convenience, a statement of your account will be delivered to your stateroom by 6:00 am on Sunday morning. Should you have any queries with your account, please see Guest Services no later than 8:00 am. Guests may continue to use their SeaPass card on departure morning if the account is linked to a credit card.

STEP 3 Departure Morning

Departure will commence once we have received clearance from the local authorities at approximately 8:00 am. Please proceed to your assigned departure lounge following the departure schedule on reverse. A Staff Member will assist you to the gangway once your departure number has been called. Announcements regarding the departure process will be made in the designated lounges only. Please note that departing the ship prior to your assigned departure time may result in an increased waiting time in the terminal building. Please have your SeaPass card in hand as you depart the ship.

STEP 4 United States Immigration & Customs

- All guests are required to go through Immigration and Customs Clearance in the terminal ashore.
- Each individual arriving into the United States must complete the Customs Declaration Form which will be delivered to your stateroom. If you are traveling with other immediate family members, complete one form per family unit. Please refer to your Stateroom Attendant if any extra form is needed.
- Please have your completed Customs Declaration Form and identification documents in hand before you proceed to the terminal. Each guest is allowed the following Duty Free items.
 - \$800 total merchandise
 - 100 non-Cuban cigars
 - 200 cigarettes
 - 1 liter of alcohol per guest 21 years of age and over. If you purchase over the allowance you will be subject to duty taxes.

STEP 5 Self Assist Departure

- The Self Assist Departure allows guests choosing to carry all their luggage without assistance, who have independent travel arrangements (no transfers) and who do not need special assistance to depart the *Voyager of the Seas* as soon as the ship has been cleared by the local authorities.
- Please wait comfortably in La Bohème Dining Room, Deck 4, where a Staff Member will escort you to the gangway. Please note that announcements will be made in the designated departure lounge only. Please do not congregate at the gangways.
- If you choose this program, do not place your luggage outside your stateroom, as you will be carrying it with you.
- Please have your SeaPass card in hand as you depart the ship.
- Please note that porters are not available for the Self Assist Departure.

STEP 6 Transfers

Royal Caribbean International Representatives will be in the terminal to assist you.

Final Checklist

Guest Satisfaction Survey:

As your hosts, we sincerely appreciate you sharing your opinion about your cruise vacation onboard the *Voyager of the Seas*. We kindly request that you complete the Guest Satisfaction Survey which will be delivered to your Stateroom on Saturday morning and drop it in the sealed Guest Satisfaction Survey boxes by the Guest Relations Desk, Deck 5 or on the gangways as you depart the ship. Please do not leave it in your stateroom as only surveys deposited in the sealed boxes are reviewed for their comments and suggestions. Thank you in advance for your comments.

Guests With Special Needs:

We would like to inform guests who require wheelchair assistance that the Aquarium Bar, Deck 4 has been designated as the most convenient option for you to wait for assistance. Once the number of your luggage tag is called, a staff member will assist you off the ship. Please meet 15 minutes prior to your scheduled departure time. See departure schedule on reverse.

Stateroom:

Please check your stateroom thoroughly before departing - please be reminded to sure that you take all your personal belongings with you. Please leave your stateroom safe unlocked and open.

Commonly Asked Questions...

Process Overview:

On departure morning we invite our guests to relax in their staterooms or enjoy breakfast in any of the designated breakfast venues. Kindly allow enough time to reach your designated departure lounge before your luggage tag number is called to allow a Staff Member to assist you to the gangway located on Deck 4. Announcements will be made in the designated departure lounge only. The Departure Schedule can be also viewed on Channels 15 & 17 on your stateroom TV.

When can I depart the ship? If you are on Self Assist Departure (carrying your own luggage off the ship) we anticipate calling the first group at approximately 8:00 am. Otherwise, please proceed to your assigned departure lounge according to the schedule above.

Where is the gangway? The gangway will be located on Deck 4.

Family Zone - We welcome parents and children to enjoy a fun family environment, games, cartoons and fun activities in the Family Zone, Cleopatra's Needle, Deck 5, forward from 8:00 am onwards.

Quiet Zone - Enjoy the comfort and quiet atmosphere of our Library Decks 7 & 8 as your departure lounge.

Lot & Parking - Complimentary shuttle service provided by Island Transit and Ampco Parking Systems will transport you to the Lot B parking lot. Shuttle service runs periodically and they are available as you step out of the terminal. Please be aware there are numerous other privately operated parking lots that the Port has no control over or information for.

Where does the Customs inspection take place? Customs will be at the doorway as you exit the terminal after luggage collection.

What do I do with my SeaPass card? Please have your SeaPass card in hand as you depart the ship in Galveston, for security reasons United States Customs and Border Protection require guests to punch their SeaPass cards at the gangway before departing the ship. After that you may keep it as a souvenir.

Confiscated Items?

- * All liquors collected during the cruise vacation will be distributed by your Stateroom Attendant directly to your stateroom starting 6:00 pm on Saturday evening.
- * All prohibited items will be returned to you by the local security at the terminal ashore in Galveston.

Frequently asked questions

Why are Diamonds such a great deal this week?

The number one factor affecting the price of a diamond is how many "hands" have touched it. When you shop at Diamonds International you are shopping directly with a DeBeers Sight-holder, meaning you are shopping directly from the source cutting out 5-8 "hands" of the Diamond industry saving you... 30-70% on Diamonds and Diamond Jewelry.
AND its tax and DUTY-FREE!

Diamonds International is in Cozumel and Grand Cayman, where should I shop?

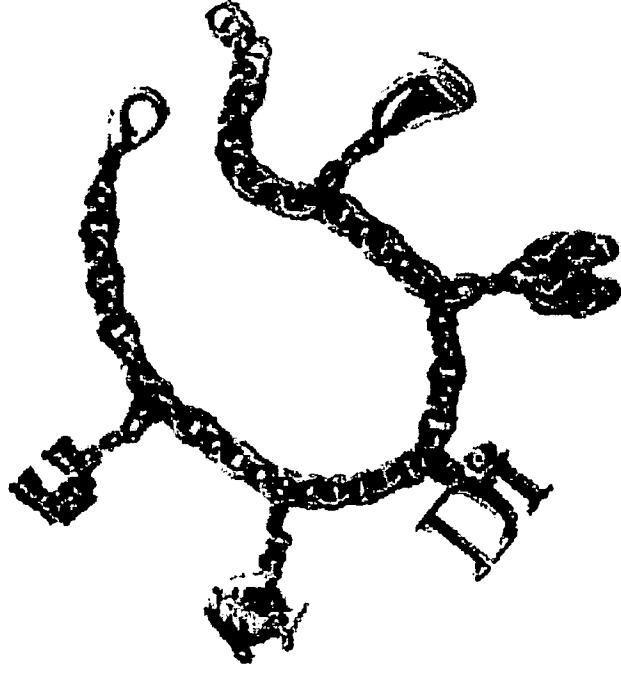

Both ports have an amazing selection and comparable prices. However, since no two diamonds are alike you won't know which port has the diamond of your dreams until you look... My advice is to try to find and buy what you love in Cozumel. If you don't find something you love, you still have another chance to shop! If you buy a diamond in Cozumel and later see one you like even better at Diamonds International in Grand Cayman you can exchange it... it's that easy!

DIAMONDS® V.I.P. Savings **INTERNATIONAL**

Carry this with you all week... when you find the diamond or piece of jewelry you love at any location of Diamonds International in Cozumel or Grand Cayman, show this to your salesperson and ask for the Manager's special discount!

Buying diamonds is EASY and FUN! Diamonds International has something to suit everyone's taste and budget and this VIP pass will make it even more affordable!
