LEIF OTTO BANG, CAPTAIN

Born on the west coast of Norway in the small town of Alesund, Norway. Captain Bang started his distinguished career in 1958 at the age of 14 ½ as a cadet aboard the windjammer, *Sørlandet*. After training, he started working for the largest cargo and tanker ship company in Norway.

After four years as a seaman, he entered the Norwegian Merchant Marine Academy in 1962 where he studied for two years earning his Chief Officer's license. He then returned to the Orient and worked for a Norwegian shipping company with a head office in Hong Kong and sailed for four years in Asia. In 1968, he returned to the Academy to obtain his Master's license and in 1969, returned to his old company in Hong Kong. In 1971, Captain Bang joined Royal Caribbean International and in 1996 he had the pleasure of going back to Asia onboard *Sun Viking* for one year. In 1997, Captain Bang was part of the inspection team supervising the building of *Vision of the Seas*. With a career of more than 52 years at sea, Captain Bang's vast experience has prepared him well to carry out the function of Master on the beautiful *Navigator of the Seas*. Captain Bang was once again part of the inspection team supervising the building of this magnificent ship and is now proud to serve as the Master of *Voyager of the Seas*. The Captain looks forward to welcoming our guests at his reception.

CASEY PELTER, CRUISE DIRECTOR

Casey grew up in the small resort town of Kimberley, British Columbia and now makes his home in Calgary, Alberta Canada. Casey grew up playing organized sports and spent most of his time playing hockey, skiing and playing outdoors. Casey started traveling the world at a young age and has been

hooked ever since. After graduating from the University of Lethbridge with a degree in Kinesiology, Casey quickly joined Royal Caribbean International and has never looked back. After 9 years at sea, Casey had the opportunity to work on almost all of the ships throughout the Royal Caribbean International fleet and is extremely pleased to be your Cruise Director here onboard the *Voyager of the Seas*. Casey would like to welcome you onboard and hopes everyone has an amazing time aboard one of the world's greatest ships!

ALEXANDRA BERGER, LOYALTY & CRUISE SALES MANAGER

Alex was born in a small charming mountain village named Ellmau in Austria. Growing up in a popular tourist destination and absolutely loving it, she chose to complete a Master's degree in Tourism Business Administration. She has traveled

and worked around the world, but being a true Austrian, she always returns home for winter to ski the Austrian Alps. Alex started her international career with a five-star hotel chain working in England, Norway and Belgium before she discovered her passion for the cruising industry. She joined Royal Caribbean International in 2007 and now, four years later, she is your Loyalty & Cruise Sales Manager here onboard. Alex looks forward to meeting you and wishes you happy sailings and wonderful memories in our ports-of-call.

ADRIANA TIBAUDO, HOTEL DIRECTOR

Adriana was born in Catania, Italy, as the youngest of five children. Her family relocated to New York at the age of five. During her journey into the United States, Adriana developed a love for aviation and decided to engage a career in the Airline Industry. She made her dream come true and has worked for ten years as a flight attendant, traveling extensively throughout the world. During her 25 years in the travel, tourism and hospitality industry, she resided in Saudi Arabia, Europe and in the United States. From 1988 she was involved in the opening of resorts, theme parks and a cruise line, and thanks to her constant drive for excellence, she worked her way up to the position of General Manager. Adriana joined Royal Caribbean International at the beginning of 2003. Amongst her many interests are Criminal Law, as well as navigating single and twin-engine airplanes. With great honor Adriana welcomes each guest as part of our family onboard our lovely home, the *Voyager of the Seas* and wishes you a wonderful and memorable cruise vacation.

ERGIN AVCI, FOOD & BEVERAGE DIRECTOR

Ergin was born in a small city called Antakya, on the Southeastern part of Turkey in the Mediterranean region. He started to work in hospitality at the age of 13, studying and practicing in the resorts during the summer seasons. His father wanted him to take over the family owned construction company but he decided to remain in the job that he loved most and worked over 8 years on land in various luxury hotels on Aegean and Mediterranean coasts. At the age of 22 he became Restaurant Manager. At that stage Turkey was not satisfying anymore in terms of knowledge and job satisfaction, so he decided to work on cruise ship just for a couple years to see the world and to gain more experience. He joined Royal Caribbean International - *Radiance of the Seas* in 2001 as Assistant Waiter. The day he joined the ship, he changed his mind about leaving the company; He ended up working on 8 different ships in the past 9 years. He focused on his job and set targets to get promoted and his dedication brought him to Food and Beverage Director position. If you wonder what made him change his mind from leaving Royal Caribbean International, please stop and ask him whenever you see him around the ship. He encourages you to enjoy "food & wine anywhere at anytime", wishing you a great cruise vacation.

ROBERTO MARCELLINO, CHIEF ENGINEER

Roberto was born in the beautiful Italian riviera coastal town of La Spezia, Italy. His training began very early in life as he was always helping out in his father's electrical engine repair shop. He completed his education at the Naval Academy in La Spezia as well as his military naval requirements. It was time to use his new knowledge and head for the wide open sea.

At the age of 21, Roberto sailed around the world on Agip oil tankers seeing many days at sea as well as most of the world. Upon returning home in 1982, he found himself in the fortunate position of landing a job with Home Lines of Genoa, Italy (passenger ship company) and was sent to the construction site of the Atlantic in France as an oiler in the engine room. He worked his way through the ranks and by 1989 had his Chief Engineer Degree and license. The same year he began his career with Royal Caribbean International in St. Nazaire, France as part of the engineering team constructing the *Empress of the Seas*. From the warm, sunny Italian coast, Roberto found himself in Finland for overseeing the construction of the *Grandeur of the Seas*, *Explorer of the Seas* and finally *Voyager of the Seas*. Always found fine tuning the engines to make sure your voyage is safe and sound, he wishes all our guests "un viaggio meraviglioso," which translates to "enjoy a wonderful cruise vacation!"

As you get acquainted with the ship, you'll find that our nation is filled with unexpected surprises. In fact, you may not want to waste a single second more. There are mountains to climb and valleys to golf, all onboard this very ship. But if you'd like to take a breather before you begin your adventure, then read on for helpful tips...preferably with a piña colada and the ocean view.

- Find other people that share your interests. Stop by the Guest Services on Deck 5 and post your card on the Community Bulletin Board.

GET ENTERTAINED

Look inside for today's show schedule.

ENVIRONMENTAL TIDBIT

MY TIME DINING™

It's like your favorite restaurant at home. With My Time Dining, you have the flexibility to dine whenever you want, from day to day. So, if there's a show you want to catch, or your excursion runs a little late, My Time Dining lets you adjust. And, just like at home, making a reservation ensures that you won't have to wait to be seated - especially on Days 1 and 2, our busiest days. Sign up at the My Time Dining Reservation Desk on Deck 5, or dial extension 5000 from your stateroom from 11:30 am - 3:30 pm.

EXPLORATIONS!

The best part about traveling is being able to do things you can't do back home. It's not everyday you can zip line across a canyon. Or sail in the America's Cup Regatta. You'll have an experience of a lifetime...and bragging rights, naturally. Get all the details for these, and many more shore excursions at the Explorations! Desk on Deck 5, or on RCTV in your stateroom.

CROWN & ANCHOR® SOCIETY

We're flattered. Deeply appreciative. After all, you chose us. By joining our complimentary loyalty program, the Crown & Anchor Society, we can thank you in our own way. Discounts on onboard amenities, special events and member cruises are just a few of the ways we reward our most loyal guests.

VITALITY HEALTH & WELLNESS PROGRAM

Looking for balance? Awareness. Dare we say...enlightenment? Continuing your fitness regime onboard? The Vitality program is designed to encourage a healthier lifestyle, from eating right to staying fit. Look for the icon  denoting healthy menu options, adventurous shore excursions, fitness programs and wellness workshops.

ADVENTURE OCEAN® YOUTH AND TEEN PROGRAMS

Vacationing with the kids? Chances are, you won't be seeing very much of them! The Adventure Ocean Youth and Teen Programs features non-stop fun for all age groups. Kids 3 to 11 will have a blast doing science experiments, Wacky Olympics, scavenger hunts and more! Teens 12 to 17 will have a great time hanging out in their own onboard spaces, and taking part in our great teen activities.

ROYAL BABIES & ROYAL TOTS

Even the youngest guests (6 months - 36 months) can dare to explore new horizons. Or in this case, new toys. The experts at Fisher-Price® have designed interactive activities, as well as a toy lending program. And since all babies are born artists, they'll have fun expressing themselves through our Crayola Beginnings art activities.

CLUB ROYALE

Maybe you're a serious player. Or maybe you just love the energy at the craps table, or even at the slots. Either way, there are perks to becoming a Club Royale member. Aside from getting cash rebates on your play, you can get discounts towards your next cruise vacation and invitations to private tournaments and events. Just start playing, and if you qualify, you'll be invited to join this exclusive loyalty program.

EXPLORER ACADEMY

Just think—a week from today, you could be wowing your friends back home with your new salsa moves and poker skills. Where else can you learn how to ice-skate and make your own jewelry...all in the same day? At the Explorer Academy, that's where.

SEATREK SCUBA

Explore the Caribbean from a different perspective...30-some feet below the surface. Teeming with tropical sea life, the Caribbean holds some of the most vibrant coral reefs in the world. With the right gear and training, you can see it all, front row center. Ask about our PADI Scuba Diving courses onboard.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Guest Curfew - All guests 17 years and younger, who are not accompanied by a parent or a guardian, must be clear of all public areas by 1:00 am, unless they are participating in organized shipboard activities (i.e. Adventure Ocean).

DAY 4 Wednesday, December 1, 2010

MEET THE MOST COLORFUL LOCALS IN THE WATERS OF ROATÁN.

Dive shops abound in Roatan. Home to the world's second-largest coral reef, this diver's paradise is teeming with colorful marine life. Though just as colorful are all the characters that have passed through the sandy shores of this beautiful Bay Island. Roatan has a long and tangled history of Paya Indians, Spanish conquistadors, British pirates, rebel slaves and more recently, European and North American expats. But it's not just the underwater wonders that have lured foreigners to lay down their roots here. Roatan has a very unique cultural identity unlike anywhere else on the mainland of Honduras. Everything here has been perfectly seasoned with Caribbean flavor—from the music and local cuisine to the laidback island lifestyle.

Naturally, you'll want to venture out to the reefs for some world-class snorkeling or scuba diving. On land, the beaches are beyond beautiful while the mountainous terrain is perfect for hiking. Old English forts and churches can offer an insight into the rocky colonial days. And when you're ready to kick back at a seaside restaurant, head into the West End Village.

Open Yourself Up To A New Experience.

- Find your balance. When the conditions are just right, windsurfing's a breeze. Head down to the beach and try it for yourself.
- See the bigger picture. Caribbean art is one of the best ways to learn more about the culture. Beyond the vibrant colors, there's just as vivacious a story.
- Shop like a local. And learn how to bargain like one too. At the straw market, you'll find handmade gifts, fresh produce and plenty of local color.
- Take it easy. You're on island time now. Time to seriously slow down.

Back Onboard

1. Jazz Cabaret Show with the Royal Caribbean Singers

2. The Love & Marriage Game Show

Couples say the darndest things, and we've got the game show to prove it. Who knows? You may be the couple we're looking for as our next contestants. Check out all the hilarity with your Cruise Director, Casey. 10:15 pm, The La Scala Theatre, Decks 3 & 4. (Recommended for adults).

GET ENTERTAINED

Look inside for today's show schedule.

ENVIRONMENTAL TIDBIT

Ah, the Caribbean Sea. So blue. So clear. And Virginie Stirbois, the Environmental Officer onboard, does everything possible to keep it that way. He oversees the Save The Waves® program and keeps the ship green. What a great job.

WHY NOT go back in time for a chocolate milkshake?

Johnny Rockets® is a classic 1950's-style burger joint a true all American favorite.

NOTICES

Helpful Health Information – Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Independent Vendor Rental Advisory – Guests are cautioned against renting wave runners or mopeds in ports-of-call from vendors not associated with Royal Caribbean International. Unfamiliar environments, questionable personal protection devices, and unknown maintenance of equipment may result in a serious accident. For your safety, we offer trained and experienced instructors through organized shore excursions.

DAY 5 Thursday, December 2, 2010

BELIZE CITY, THE GATEWAY TO A TROPICAL WONDERLAND OF ADVENTURE.

In the 1700s, Belize City was actually founded by former pirates. When a group of British buccaneers decided it was more lucrative to harvest lumber out Belize's wooded interior, they cleared the land and set up shop on the coast. With tropical hardwood in great demand, the town grew rapidly. Thousands of African slaves were brought in to float the logs and load the ships, and before long, the European population had exploded as well. The two groups and their descendents began to mix, ultimately creating the Creole culture so prevalent today.

Though no longer the capital, Belize City remains at the heart of the country - its gorgeous Caribbean coastline and rich cultural life a magnet for residents and tourists alike. Home to a lush tropical rain forest and the longest barrier reef in the Western Hemisphere, it's also the gateway to adventure. From jungle treks to cave tubing to scuba diving, the opportunities are endless. And also fascinating is a tour to the ancient Mayan city of Altun Ha, once a major trading center long before the Europeans arrived.

Tendering Procedures for Belize

- 1. Guests not on tour:** If you are not on a tour and want to depart the ship between 9:00 am - 1:00 pm you must obtain a complimentary tender ticket from the Cleopatra's Needle on Deck 5 starting at 8:30 am. After collecting your ticket please wait comfortably in any public lounge until your ticket number is called over the PA system. You may then proceed to the tendering loading area on Deck 1. (For safety reasons sitting on the stairwells will not be permitted). Please be advised the peak time periods will be between 9:00 am - 1:00 pm. We kindly ask for your patience at this time as the wait to board a tender may be as long as 1 - 3 hours depending on sea conditions. Guests returning to the ship do not require tender tickets.
- 2. Tours Meeting in and Departing from La Scala Theatre:** All tours that depart 8:00 am - 11:00 am meet in La Scala Theatre and proceed to the tender boats from there. Please be in the Theatre at least 15 minutes before the time printed on your tour ticket. Your tour ticket is your tender ticket. No need pick up a tender ticket.
- 3. Tour Tickets that state: "Meet on the pier":** Please allow 45 minutes prior to your tour meeting time to tender ashore. Tour guests do not need to pick up tender tickets. Your tour ticket is your tender ticket.

DAY 6 Friday, December 3, 2010

FEEL THE WARMTH OF COZUMEL.

Cozumel has always been many things to many different people. For the Maya, it was a spiritual sanctuary, a sacred shrine. The Spanish Conquistadors believed it to be a gold mine, literally. And for the 17th century pirates, Cozumel was a base of operations. Even today, the island has many faces—a diver's dream, a shopper's paradise, an archeologist's playground, and a vacationer's haven.

With so many options, where do you begin? The ancient Mayan city of Tulum is not very far from the port and certainly worth the trip. The azure waters are ever so tempting, whether you go on a deep-sea fishing adventure, a snorkeling excursion, or just admire the view from the white sand beaches. And of course, Cozumel's many duty-free shops, delicious restaurants and lively bars are always a great way to get the full Mexican experience.

SHOP, DINE & ENJOY YOURSELF

- Practice rolling your R's. The Mexican people are known for their hospitality. Especially when you try to speak the language.
- Bring an extra shopping bag. Cozumel is a shopper's paradise. For the best buys, try the shops along the waterfront, the crafts market and Punta Langosta Pier.
- Have a margarita. On the rocks. With or without salt on the rim. Accompanied by a mariachi band. Anyway you have it, it'll be the best you've ever had!
- Try an authentic burrito. Here in the Yucatan, many of the dishes use the same local ingredients once used by the Maya. Absolutely delicious!

Back Onboard

1. The Quest (Adults Only)

Join the madness—or rather, the addiction—of this zany adult Activity hunt. You'll be hooked within the first few minutes. Doors open at 9:45 pm, the laughs begin at 10:15 pm, Studio B, Deck 3.

2. Club Twenty

The Solarium has a double identity. Come nightfall, it turns into a discotheque. DJ Amir appears and spins his magic. The dancers step on the floor and the temperature soars. The guests? Well, the guests just don't want to leave. SeaPass Card and Photo Identification required. 11:30 pm – 2:00 am, Solarium, Deck 11.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu and gastrointestinal illnesses such as Norovirus that can be transferred easily through person-to-person contact is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Norovirus include an upset stomach, vomiting and diarrhea. According to the United States Centers of Disease Control and Prevention, Norovirus affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility.

Pool Deck Chairs - We kindly ask you not to reserve pool deck chairs. Any pool deck chairs left unoccupied for more than 30 minutes will be made available to other guests.
